

## **HOTELS PRESIDENT OFFERS PCR TESTING AND ANTIGEN TESTS ON COVID-19 FOR ALL GUESTS**

As of today, Hotels President offer testing on COVID-19 in the hotel area at the agreed time, all with the aim of increasing safety and enabling all our guests to have a carefree vacation.

Testing is intended for guests coming from countries that have introduced an obligation for testing before returning to their home country.

### **Testing procedure:**

Before arriving at the hotel or during the stay, the guest can arrange a test appointment at least 24 hours in advance. Testing is conducted Monday through Friday from 7 a.m. to 7 p.m. and Saturday from 8 a.m. to 12 a.m., and other dates are available on request. Professional medical staff arrives at the hotel at the agreed time and conducts testing in accordance with strict epidemiological measures and delivers the test to the desired e-mail address, in Croatian or English, within 2 hours.

### **The testing service is paid as follows:**

- 75 kn for antigen test (sample is taken from the nose)

President Hotels offer a special benefit of medical staff arrival at the hotel as well as free English translation. We hope that this service will provide guests with a carefree trip and make it easier to come on vacation in the heart of Dalmatia.

"Our mission here at President Hotels is to create unique experience for each guest and provide exceptional service followed by modern design and great comfort of our hotels."
