

Wine list

„Mogu nas lišiti mnogih stvari, mogu nam uzeti sve, ali nikako ne mogu sjećanja na ono što smo vidjeli, okusili, doživjeli... Atmosferu, mirise, okuse. Vino. Opet vam kažem: pijte vina! A onda ćete biti raspoloženi za ljubljenje, za branje cvijeća, za prijateljstva, za dobar dubok san, za smijeh i ujutro ćete umjesto novina, čitati pjesnike.“ Vino je poezija pretočena u čašu.

Robert Louis Stevenson

„They can deprive us of many things, they can take everything from us, but they cannot take the memories of what we saw, tasted, experienced... The atmosphere, the smells, the flavors. Wine. Again I tell you: drink wine! And then you will be in the mood for kissing, for picking flowers, for friendships, for a good deep sleep, for laughing, and in the morning you will read poets instead of newspapers.“ Wine is poetry poured into a glass.

Robert Louis Stevenson

Vrhunsko suho crveno vino

Premium quality dry red wine

Ovo vino obiluje suptilnim aromama tamnog šumskog voća, grožđica, suhih šljiva, borovnica i kupina. *Brime Plavac mali is base red wine and is made from the most famous local red variety of Plavac mali. It has been proven that this variety is the successor of the variety Tribidrag, which is better known around the world as Zinfandel or Primitivo. This wine is rich in subtle aromas of dark forest fruits, raisins, prunes, blueberries and blackberries.*
